Dear Don:

I picked up my plane Tuesday and just wanted you to know how nice a job I think you did painting it. It is an absolutely beautiful job and looks like new. I have had many favorable comments on it, and I am sure you are going to be getting business from this area because of the high-quality job you did on this plane.

Again my thanks to you. I can't tell you how much I appreciate your efforts. I mailed a check from Deer Valley to you the day I picked up the plane. This was for \$663.50 and should balance out payment on the plane.

Thank you again, and I remain

Sincerely yours,
